HEAVY GOODS VEHICLE DRIVER'S COURSE

This programme is of six (6) months duration.

Trainees must be eighteen (18) years and over.

On completion of the training, the heavy goods vehicle driver will be able to:

- ◆ Operate and drive a heavy goods vehicle with load to satisfy the requirements of the Barbados Licensing Authority.
- ◆ Operate the controls of a heavy goods vehicle according to the manufacturer's specifications.
- ◆ Undertake driver-level maintenance tasks of a heavy goods vehicle in accordance with manufacturer's recommendations.
- ◆ Identify problems associated with a heavy goods vehicle, which may require specialist maintenance or repair.
- ◆ Compile information to supplement practical skills in operating a heavy goods vehicle.
